NORTHWEST WALL & CEILING INDUSTRIES OUTSTANDING PROJECT OF THE YEAR 2017 NOMINATIONS

Get recognized for your contribution towards excellence in construction.

The projects will be judged on design, job site innovation and/or conditions, quality of workmanship, use of materials and overall effect.

Winning projects have an opportunity to be showcased in the media, including local newspapers and industry publications.

AWARD CATEGORIES

I. Interior

- A. Residential
(single family or multifamily)
- B. Commercial

II. Exterior

- A. Residential
(single family or multifamily)
- B. Commercial

III. Suspended Ceiling (acoustical)

IV. Light-Gauge Steel Framing

V. Renovation/Restoration

An award may be given in each category and each region.

4. Anyone can nominate any number of projects—wall and ceiling contractor must be a member of NWCB.
5. The winning contractor team must be present at the Northwest Wall and Ceiling Industries Annual Convention at the Coeur d'Alene Resort at 4:30 p.m. on Thursday, May 4, 2017, to accept the award.
6. Submit high-quality, high-resolution images of the project on disc. Photos taken during construction are optional for all projects except those in the Light-Gauge Steel-Framing category, for which they are required. The quality of the photos is an important part of the overall submission, and the use of a professional photographer is suggested for maximum photo quality. Submission of materials grants permission for unrestricted promotional use by NWCB of all photographs and information. This includes, but is not limited to, awards program publicity and publication in association, industry and other publications.

HOW TO NOMINATE A PROJECT

(ANYONE CAN MAKE A NOMINATION)

Fill out the nomination form, enclosing the required photographs and project highlights (see Rules for details), and send your entry to the appropriate location. A project can only be nominated for one category.

All entries must be received no later than Friday, January 27, 2017.

Submit nominations to:

Northwest Wall and Ceiling Bureau
2825 Eastlake Avenue East, Ste 350
Seattle, WA 98102
(206) 524-4243
info@nwcb.org

RULES

1. Project can be of any size or dollar amount.
2. Project can be new or renovation/restoration.
3. Project must be complete, with the exception of the Light-Gauge Steel-Framing category, which requires that the steel-framing scope of work is complete. Projects completed in the past two years can be submitted or resubmitted if they have not previously been given this award.

7. The nomination form must be filled out completely for each individual project.
8. You must attach a separate document with information on the project.
9. Project awards will be given for projects in Washington, Oregon and Alaska and awarded for the location of the project, not the office location of the company receiving the award.
